

# MINING CONGRESS JOURNAL

## Index to Volume 61

### January to December 1975

#### A

	Month	Page
Air Blast and Ground Vibration in Open Pit Mining, A. B. Andrews .....	May	20
Alabama Mining Institute .....	Jan	42
Alabama Surface Mining Reclamation Council .....	Feb	132
Alaska Miners Association .....	Jan	43
<b>AMERICAN MINING CONGRESS</b>		
AMC Statement on S. 2371, Jerry L. Haggard .....	Nov	60
AMC Statement on Tax Reform .....	Aug	76
Declaration of Policy .....	Nov	
<b>Coal Division</b>		
1975 AMC Coal Convention (preview) .....	Apr	47
Coal Convention Report .....	June	58
1976 Coal Show Program Chairman Named .....	Aug	5
<b>National Safety Competition</b>		
Sentinels of Safety Awards .....	June	91
<b>President's Letter</b>		
re President's veto of surface mining legislation .....	Jan	62
re Coal Convention promotion .....	Feb	148
re percentage depletion for the mining industry .....	Mar	70
re land use legislation .....	Apr	78
re registration and reporting requirements for lobbyists .....	May	70
re promotion of Pecora Memorial Symposium .....	June	94
The Mining Industry and Congress .....	July	70
Government Data Gathering A Growing Burden to Mining Industry .....	Aug	102
A Mineral Alert .....	Sept	78
A Mineral Alert—Some Further Observations .....	Oct	70
Many Are Called—But Who's Listening? .....	Nov	134
<b>Western Division</b>		
Leach to Head Program Committee for Mining Convention .....	Feb	9
1975 Mining Convention in San Francisco, Sept. 28-Oct. 1 (preview) .....	Aug	62
1975 Mining Convention Report .....	Nov	66
Amigos Provides Public Support for Arizona's Mining, Marshall Gordon .....	June	28
Analysis of Methods for Underground Mining of Oil Shale, Hugh J. Leach .....	May	33
Arizona Mining Association .....	Feb	133

#### B

##### BENEFICIATION/EXTRACTION

Gold Extraction from Low Grade Ores—Economic Evaluation of Processes, Roshan B. Bhappu and F. Milton Lewis .....	Jan	38
High Intensity Fine Coal Flotation, W. V. Black and G. Norton .....	June	32
Metallurgical Processing in 1974, Simon W. H. Lowings, John T. Cullom and Walter N. Nahas .....	Feb	114
Tilden Mine, The—A New Processing Technique for Iron Ore, James W. Villar and Gilbert A. Dawe .....	Oct	40

##### BLASTING

Air Blast and Ground Vibration in Open Pit Mining, A. B. Andrews .....	May	20
Mining Research Review, James J. Scott .....	Feb	102

#### C

Cabs and Canopies—Solutions of Special Problems, James C. Ault .....	July	54
California Mine Operators Association .....	June	36
Changing Fuel Situation for the Mineral Industries, The, William M. McKewan and Donald L. Frommer .....	Dec	24
Chemical Desulfurization of Coal, J. C. Agarwal, R.		

A. Giberti, P. F. Irminger, L. J. Petrovic and S. S. Sarcen .....	Mar	40
Coal Industry Overview, Ralph E. Bailey .....	July	25
Coal Preparation—1974, Donald K. Cooper and John C. Anderson .....	Feb	86
Coal Preparation in Australia, George E. Edwards .....	Aug	58
Coal Productive Potential of Diesel Load-Haul-Dump Equipment and Systems, K. V. Rao, Christopher Haycocks and J. Richard Lucas .....	Dec	18
Coal Waste Disposal to Eliminate Tailings Ponds, John C. Anderson .....	July	42
Coal Waste Stabilization by Enhanced Vegetation, John P. Capp, Donald W. Gillmore and David G. Simpson .....	May	44
Colorado Mining Association .....	Apr	54

##### COMMODITY STUDIES

Changing Fuel Situation for the Mineral Industries, The, William M. McKewan and Donald L. Frommer .....	Dec	24
Coal Industry Overview, Ralph E. Bailey .....	July	25
Energy Conservation—Implications for the Mining Industry, Herbert I. Fufeld .....	Apr	28
Germany, Coal and the Community, J. M. Bradley .....	Feb	60
MacGregor Optimistic About Future of Copper .....	Mar	38
Metals for Man's Survival, Wilfred Malenbaum .....	Feb	46
Methane in Coal: From Liability to Asset, Maurice Ducl and Ann G. Kim .....	Nov	28
Mining and Minerals Policy 1975 .....	Sept	60
Politics of Mineral Supply, The, Robert A. Kilmarx .....	Feb	34
Potential Sources of U. S. Mineral Supplies, Donald A. Brobst and Edwin W. Tooker .....	Feb	38
Private Economists Foresee No Mineral Shortages .....	Apr	38
Reliable Mineral Supply for the Future?, A. Jack W. Carlson .....	Nov	42
Renaissance of Gold, The, R. A. Plumbridge .....	Jan	18
Solid Fuels: Their Contribution to Energy Independence, Richard Zitting .....	Feb	42
Contracting vs. In-Plant Maintenance, H. J. Lockard .....	Oct	49
Creating a Motivational Climate to Achieve High Performance Standards, Douglas R. Delahunt .....	Jan	30

#### D

Developments in Sulfur Dioxide Control, Ivor E. Campbell .....	Nov	56
Dewatering for Underground Mining—"Anatomy of Anomalous Conditions," William M. Greenslade, Richard Brittain and Hank Baski .....	Nov	34
Dust Control on Longwall Shearers, Kenneth Whitehead .....	May	54

#### E

##### ECONOMIC

AMC Statement on Tax Reform .....	Aug	76
Gold Extraction from Low Grade Ores—Economic Evaluation of Processes, Roshan B. Bhappu and F. Milton Lewis .....	Jan	38
Manufacturers' Outlook, Putnam McDowell .....	Feb	39
Mineral Crisis and the Role of Advanced Mining Technology Research, The, William B. Schmidt .....	Feb	54
1970-1974—Period of Adverse Changes in Productivity and Costs at Underground Bituminous Coal Mines, A. John W. Straton .....	Oct	34
Reliable Mineral Supply for the Future?, A. Jack		

W. Carlson .....	Nov	42
Treasury Secretary Simon Speaks on U. S. Economy .....	June	54
Energy Conservation—Implications for the Mining Industry, Herbert I. Fufeld .....	Apr	28

##### ENGINEERING

Analysis of Methods for Underground Mining of Oil Shale, Hugh J. Leach .....	May	33
Dewatering for Underground Mining—"Anatomy of Anomalous Conditions," William M. Greenslade, Richard Brittain and Hank Baski .....	Nov	34
Gasification and Liquefaction of Coal, Jack Huebler .....	Oct	16
Hydraulic Mining of Coal, A. W. T. Grimley and David M. Parkes .....	May	26
Longwall Versus Shortwall Systems, Joe Kuti .....	Aug	24
Methane in Coal: From Liability to Asset, Maurice Ducl and Ann G. Kim .....	Nov	28
Tall Stacks and Intermittent Control of SO <sub>2</sub> Emissions—TVA Experience and Plans, T. L. Montgomery and J. W. Frey .....	Jan	44

##### ENVIRONMENT

Coal Waste Stabilization by Enhanced Vegetation, John P. Capp, Donald W. Gillmore and David G. Simpson .....	May	44
Developments in Sulfur Dioxide Control, Ivor E. Campbell .....	Nov	56
Environmental Impact of Solution Mining, The, Geoffrey G. Hunkin .....	Oct	24
Heat Drying Sludge from Ponds, J. T. Casali .....	Jan	34
Hydrological Impacts Associated with Coal Mining, Paul A. Rechard .....	Aug	70
Hydrology of Black Mesa Reclaimed Land, John L. Thames, R. T. Patten and E. J. Crompton .....	July	16
Impact of Environmental Regulations on Mining, Edward L. Lantz .....	Nov	48
Mined Land Reclamation on the Northern Great Plains—Indian Head Mine, Terry E. Dudley and Jerry L. Becker .....	Apr	18
Obstacle Course for Permits and Approval, Jon M. Cassidy .....	Sept	52
Reclaiming Coal from Refuse Ponds, George H. Morris .....	Dec	38
Sulfuric Acid as a Soil Amendment to Enhance Plant Growth, J. R. Fletcher and Gerald D. Schurtz .....	Aug	34
Tall Stacks and Intermittent Control of SO <sub>2</sub> Emissions—TVA Experience and Plans, T. L. Montgomery and J. W. Frey .....	Jan	44
Use of Soil Laboratory Analyses in Revegetation of Mined Lands, William A. Berg .....	Apr	32
Vacuum Soil as a Seed Source for Revegetating Strip Mine Spoils, Ronald H. Sauer .....	Sept	16
Venture into Reclamation, A. J. LeRoy Balzer, David B. Crouch, Robert W. Poyser and Wayne Sowards .....	Jan	24
Environmental Impact of Solution Mining, The, Geoffrey G. Hunkin .....	Oct	24
ERDA's Mission is to Create Energy for the Future, Freeman Bishop .....	Aug	84
Evaluation of Underground Coal Haulage Systems, Arthur E. Belton .....	Oct	52
Exploration in the Eastern U. S.: Problems (?) and an Answer (?), J. R. Dunn and Harry L. Moffett .....	Nov	22

##### EXPLORATION & GEOLOGY

Exploration in the Eastern U. S.: Problems (?) and an Answer (?), J. R. Dunn and Harry L. Moffett .....	Nov	22
Mineral Exploration—1974, Hollis G. Peacock .....	Feb	74
Polar Mining, William B. Hall .....	July	46
Potential Sources of U. S. Mineral Supplies, Don-		

ald A. Brobst and Edwin W. Tooker.....	Feb	38
Surveys of the Earth's Resources and Environ- ment by Satellites, William Nordberg.....	Sept	28

## F

Federal Coal Leasing Policy, E. R. Phelps.....	Jan	14
Florida Phosphate Council.....	May	50

## G

Gasification and Liquefaction of Coal, Jack Huebler.....	Oct	16
General Purpose Systems Simulator for Coal Min- ing, A. Charles B. Manula, R. V. Ramani and Thomas V. Falkie.....	Mar	52
Germany, Coal and the Community, J. M. Bradley.....	Feb	60
Gold Extraction from Low Grade Ores—Economic Evaluation of Processes, Roshan B. Bhappu and F. Milton Lewis.....	Jan	38
Ground Stability in Surface Coal Mines, C. O. Brawner, D. L. Pentz and D. B. Campbell.....	June	42

## H

### HAULAGE

Coal Productive Potential of Diesel Load-Haul- Dump Equipment and Systems, K. V. Rao, Christopher Haycocks and J. Richard Lucas.....	Dec	18
Evaluation of Underground Coal Haulage Sys- tems, Arthur E. Belton.....	Oct	52
New Generation of Combination Locomotives for Underground Mining, J. N. Bluteich.....	Aug	44
Use of Belt Conveyors in Open Pit Mining, C. R. St. John and J. W. Kronke.....	Apr	56
Western Coal Transportation—A Challenge, Blair A. Ross and Paul D. Martinka.....	Apr	40
Work Capability of Tires in Load and Carry Service, R. B. Knill and David V. Cvangros.....	Dec	42
Heat Drying Sludge from Ponds, J. T. Casali.....	Jan	34
High Intensity Fine Coal Flotation, W. V. Bluck and G. Norton.....	June	32
Hydraulic Mining of Coal, David M. Parkes and A. W. T. Grimley.....	May	26
Hydrological Impacts Associated with Coal Mining, Paul A. Rechard.....	Aug	70
Hydrology of Black Mesa Reclaimed Land, John L. Thames, R. T. Patten and E. J. Crompton.....	July	16

## I

Idaho Mining Association.....	July	53
Impact of Environmental Regulations on Mining, Edward L. Lantz.....	Nov	48
Importance of Mines Colleges in Educating for America's Future, The, William H. Drescher.....	Aug	50
Improving the Public Image of the Mining Industry, James K. Richardson.....	July	22
Integrated Occupational Health Program of Erie Mining Co., The, James B. Bowen and R. L. Giu- liani.....	Mar	44
Is Our Account Overdrawn?, Gary Bennethum and L. Courtland Lee.....	Sept	33

## K

Kentucky Coal Association.....	Apr	55
Keystone Bituminous Coal Association.....	May	51

## L

### LEGISLATIVE

AMC Statement on Tax Reform.....	Aug	76
Federal Coal Leasing Policy, E. R. Phelps.....	Jan	14
Impact of Environmental Regulations on Mining, Edward L. Lantz.....	Nov	48
Is Our Account Overdrawn?, Gary Bennethum and L. Courtland Lee.....	Sept	33
Problems Associated with Closing Plant Water Circuits, M. J. Gregory.....	Nov	52
Review of Surface Mining Legislation, Charles F. Cook, Jr.....	Feb	91
Surface Mining Veto Sustained, C. F. Cook.....	July	36
Undersea Mining—What National Legislative Policy Should We Pursue?, Glenn M. Anderson.....	May	30
Longwall Versus Shortwall Systems, Joe Kuti.....	Aug	24

## M

MacGregor Optimistic about Future of Copper.....	Mar	38
--	-----	----

### MAINTENANCE

Contracting vs. In-Plant Maintenance, H. J. Lockard.....	Oct	49
New Materials for Slidability Plus Longer Wear, Jack B. Blankenship.....	Oct	28
Programmed Maintenance Boosts Mine Produc- tivity, Conserves Lubricants, Ronald W. Whit- ton.....	June	38
Making Employee Development Effective, Roger K. Scholes.....	Sept	56

### MANAGEMENT PROBLEMS

Amigos Provides Public Support for Arizona's Mining, Marshall Gordon.....	June	28
Creating a Motivational Climate to Achieve High Performance Standards, Douglas R. Delahunt.....	Jan	30
Importance of Mines Colleges in Educating for America's Future, The, William H. Drescher.....	Aug	50
Improving the Public Image of the Mining Indus- try, James K. Richardson.....	July	22
Is Our Account Overdrawn?, Gary Bennethum and L. Courtland Lee.....	Sept	33
Making Employee Development Effective, Roger K. Scholes.....	Sept	56
Management Safety Goals, Marvin E. Lane.....	Dec	36
Manning the Coal Mines, Roger M. Haynes.....	Nov	39
Mining Engineering—Past, Present, Future, Guy T. McBride, Jr.....	Feb	71
New Industry Problems and Opportunities, Ralph L. Hennebach.....	Feb	24
Obstacle Course for Permits and Approval, Jon M. Cassidy.....	Sept	52
Why Safety-Train a New Employee?, Frank Gon- zales.....	Apr	24
Management Safety Goals, Marvin E. Lane.....	Dec	36
Manning the Coal Mines, Roger M. Haynes.....	Nov	39
Manufacturers' Outlook, Putnam McDowell.....	Feb	30
Metallurgical Processing in 1974, Simon W. H. Lowings, Walter N. Nahas and John T. Cullom.....	Feb	114
Methane in Coal: From Liability to Asset, Maurice Duel and Ann G. Kim.....	Nov	28
Mined Land Reclamation on the Northern Great Plains—Indian Head Mine, Terry E. Dudley and Jerry L. Becker.....	Apr	18
Mineral Crisis and the Role of Advanced Mining Technology Research, The, William B. Schmidt.....	Feb	54
Mineral Exploration—1974, Hollis G. Peacock.....	Feb	74
Mining and Minerals Policy—1975.....	Sept	60
Mining Engineering—Past, Present, Future, Guy T. McBride, Jr.....	Feb	71
Mining Industry Council of Missouri.....	Aug	40
Mining Research Review, James J. Scott.....	Feb	102
Montana Mining Association.....	Sept	50

## N

National Independent Coal Operators' Association.....	July	52
Nevada Mining Association.....	Nov	64
New Generation of Combination Locomotives for Underground Mining, J. N. Bluteich.....	Aug	44
New Governmental Policy Challenge, A—1975 and the Mining Industry, J. Allen Overton, Jr.....	Mar	48
New Industry Problems and Opportunities, Ralph L. Hennebach.....	Feb	24
New Materials for Slidability Plus Longer Wear, Jack B. Blankenship.....	Oct	28
New Mexico Mining Association.....	Nov	63

## O

Obstacle Course for Permits and Approval, Jon M. Cassady.....	Sept	52
Ohio Mining and Reclamation Association.....	Aug	41
Open Pit Mining.....	Feb	124

### OPEN PIT/STRIP MINING

Air Blast and Ground Vibration in Open Pit Min- ing, A. B. Andrews.....	May	20
--	-----	----

Ground Stability in Surface Coal Mines, C. O. Brawner, D. L. Pentz and D. B. Campbell.....	June	42
Hydrological Impacts Associated with Coal Min- ing, Paul A. Rechard.....	Aug	70
Hydrology of Black Mesa Reclaimed Land, John L. Thames, R. T. Patten and E. J. Crompton.....	July	16
Mined Land Reclamation on the Northern Great Plains—Indian Head Mine, Terry E. Dudley and Jerry L. Becker.....	Apr	18
Obstacle Course for Permits and Approval, Jon M. Cassidy.....	Sept	52
Open Pit Mining.....	Feb	124
Optimizing Open Pit Mining with Computer Simu- lation, J. M. Butler and R. K. Fouts.....	Mar	32
Pueblo Viejo Mine Dedicated by Rosario Domi- nicana.....	Aug	56
Review of Surface Mining Legislation, Charles F. Cook, Jr.....	Feb	91
Surface Mining Veto Sustained, C. F. Cook.....	July	36
Tilden Mine Project Dedicated.....	Sept	26
Use of Belt Conveyors in Open Pit Mining, C. R. St. John and J. W. Kronke.....	Apr	56
Use of Soil Laboratory Analyses in Revegetation of Mined Lands, William A. Berg.....	Apr	32
Vacuumed Soil as a Seed Source for Revegetating Strip Mine Spoils, Ronald H. Sauer.....	Sept	16
Venture into Reclamation, A. J. LeRoy Balzer, David B. Crouch, Robert W. Poyser and Wayne Sowards.....	Jan	24
Optimizing Open Pit Mining with Computer Simu- lation, J. M. Butler and R. K. Fouts.....	Mar	32

## P

Pennsylvania Coal Mining Association.....	Sept	51
1970-1974—Period of Adverse Changes in Produc- tivity and Costs at Underground Bituminous Coal Mines, A. John W. Straton.....	Oct	34
Polar Mining, William B. Hall.....	July	46
Politics of Mineral Supply, The, Robert A. Kilmarx.....	Feb	34
Potential Sources of U.S. Mineral Supplies, Donald A. Brobst and Edwin W. Tooker.....	Feb	38

### PREPARATION OF COAL

Coal Preparation in Australia, George E. Ed- wards.....	Aug	58
Coal Waste Disposal to Eliminate Tailings Ponds, John C. Anderson.....	July	42
Heat Drying Sludge from Ponds, J. T. Casali.....	Jan	34
New Materials for Slidability Plus Longer Wear, Jack B. Blankenship.....	Oct	28
Problems Associated with Closing Plant Water Circuits, M. J. Gregory.....	Nov	52
Reclaiming Coal from Refuse Ponds, George H. Morris.....	Dec	38
Private Economists Foresee No Mineral Shortages.....	Apr	38
Problems Associated with Closing Plant Water Cir- cuits, M. J. Gregory.....	Nov	52
Programmed Maintenance Boosts Mine Produc- tivity, Conserves Lubricants, Ronald W. Whiton.....	June	38

Progress in Continuous Mining, H. Robert Ham- mond.....	Dec	30
Pueblo Viejo Mine Dedicated by Rosario Domini- cana.....	Aug	56

## R

Reclaiming Coal from Refuse Ponds, George H. Morris.....	Dec	38
Reliable Mineral Supply for the Future?, A. Jack W. Carlson.....	Nov	42
Renaissance of Gold, The, R. A. Plumbridge.....	Jan	18

### RESEARCH

Coal Waste Stabilization by Enhanced Vegeta- tion, John P. Capp, Donald W. Gillmore and David G. Simpson.....	May	44
Mineral Crisis and the Role of Advanced Mining Technology Research, The, William B. Schmidt.....	Feb	54
Mining Research Review, James J. Scott.....	Feb	102
Review of Surface Mining Legislation, Charles F. Cook, Jr.....	Feb	91

Cook, Jr. .... Feb	91
Robena Mine's Advanced Communication System, John N. Murphy, Howard E. Parkinson, David M. Jaksa and Robert Godard ..... Sept	20

## S

### SAFETY & HEALTH

Cabs and Canopies—Solutions of Special Problems, James C. Ault..... July	54
Dust Control on Longwall Shearers, Kenneth Whitehead..... May	54
Management Safety Goals, Marvin E. Lane..... Dec	36
Robena Mine's Advanced Communication System, John N. Murphy, Howard E. Parkinson, David M. Jaksa and Robert Godard..... Sept	20
Status of Federal Mine Health and Safety Programs, James M. Day..... Feb	66
Why Safety-Train a New Employee?, Frank Gonzales..... Apr	24
Sen. Byrd Addresses Mining Leaders..... Mar	28
Solid Fuels: Their Contribution to Energy Independence, Richard Zitting..... Feb	42
Status of Federal Mine Health and Safety Programs, James M. Day..... Feb	66
Successful Automated Longwall Systems in Polish Coal Mines, Zygmunt Węgrzyk..... June	24
Sulfuric Acid as a Soil Amendment to Enhance Plant Growth, J. R. Fletcher and Gerald D. Schurtz..... Aug	34
Surface Mining Veto Sustained, C. F. Cook..... July	36
Surveys of the Earth's Resources and Environment by Satellites, William Nordberg..... Sept	28

## T

Taking Bottom Rock at Greenwich Collieries, George C. Trevorrow, Jr. .... July	28
Tall Stacks and Intermittent Control of SO <sub>2</sub> Emissions—TVA Experience and Plans, T. L. Montgomery and J. W. Frey..... Jan	44
Three New Tools for Improving Land Reclamation Efficiency, John W. Howland..... Mar	20
Tilden Mine Project Dedicated..... Sept	26
Tilden Mine, The—A New Processing Technique for Iron Ore, James W. Villar and Gilbert A. Dawe..... Oct	40
Toxic Standards for Water Pollution, David W. Miller..... Mar	22
Treasury Secretary Simon Speaks on U.S. Economy..... June	54

## U

### UNCLASSIFIED ARTICLES

Alabama Surface Mining Reclamation Council..... Feb	132
Arizona Mining Association..... Feb	133
California Mine Operators Association..... June	36
Colorado Mining Association..... Apr	54
ERDA's Mission is to Create Energy for the Future, Freeman Bishop..... Aug	84
Florida Phosphate Council..... May	50
Idaho Mining Association..... July	53
Kentucky Coal Association..... Apr	55
Keystone Bituminous Coal Association..... May	51
Mining Industry Council of Missouri..... Aug	40
Montana Mining Association..... Sept	50
National Independent Coal Operators' Association..... July	52
Nevada Mining Association..... Nov	63
New Mexico Mining Association..... Nov	64
Northwest Mining Association..... Dec	54
Ohio Mining and Reclamation Association..... Aug	41
Pennsylvania Coal Mining Association..... Sept	51
Virginia Coal Association..... Oct	33
Virginia Surface Mining and Reclamation Council..... Nov	65

### UNDERGROUND MINING

Analysis of Methods for Underground Mining of Oil Shale, Hugh J. Leach..... May	33
Cabs and Canopies—Solutions of Special Problems, James C. Ault..... July	54
Coal Productive Potential of Diesel Load-Haul-Dump Equipment and Systems, K. V. Rao, Christopher Haycocks and J. Richard Lucas..... Dec	18

Dewatering for Underground Mining—"Anatomy of Anomalous Conditions," William M. Greenslade, Richard Brittain and Hank Baski..... Nov	34
Dust Control on Longwall Shearers, Kenneth Whitehead..... May	54
Environmental Impact of Solution Mining, The, Geoffrey G. Hunkin..... Oct	24
Evaluation of Underground Coal Haulage Systems, Arthur E. Belton..... Oct	52
Hydraulic Mining of Coal, A. W. T. Grimley and David M. Parkes..... May	26
Longwall Versus Shortwall Systems, Joe Kuti..... Aug	24
New Generation of Combination Locomotives for Underground Mining, J. N. Blutreich..... Aug	44
1970-1974—Period of Adverse Changes in Productivity and Costs at Underground Bituminous Coal Mines, A. John W. Straton..... Oct	34
Progress in Continuous Mining, H. Robert Hammond..... Dec	10
Robena Mine's Advanced Communication System, John N. Murphy, Howard E. Parkinson, David M. Jaksa and Robert Godard..... Sept	20
Successful Automated Longwall Systems in Polish Coal Mines, Zygmunt Węgrzyk..... June	24
Taking Bottom Rock at Greenwich Collieries, George C. Trevorrow, Jr. .... July	28
Underground Mining—1974, K. R. Winslow..... Feb	96
Underground Mining of Coal, C. B. Tillsen, Jr. .... Feb	110
Undersea Mining—What National Legislative Policy Should We Pursue?, Glenn M. Anderson..... May	30
Use of Belt Conveyors in Open Pit Mining, C. R. St. John and J. W. Kronke..... Apr	56
Use of Soil Laboratory Analyses in Revegetation of Mined Lands, William A. Berg..... Apr	32

## V

Vacuumed Soil as a Seed Source for Revegetating Strip Mine Spoils, Ronald H. Sauer..... Sept	16
Venture into Reclamation, A. J. LeRoy Balzer, David B. Crouch, Robert W. Poyser and Wayne Sowards..... Jan	24
Virginia Coal Association..... Oct	33

## W

Western Coal Transportation—A Challenge, Blair A. Ross and Paul D. Martinka..... Apr	40
Why Safety-Train a New Employee?, Frank Gonzales..... Apr	24
Work Capability of Tires in Load and Carry Service, R. B. Knill and David V. Cvangros..... Dec	42

## AUTHORS
